**AT 58 SOUTHOVER STREET, BRIGHTON**  
 COMMENCING WEDNESDAY 3 DECEMBER 1997  
**BEER MENU**

Welcome to 'The First Beer Festival With No Name'. All the beers on sale here are brewed by small 'micro' breweries, including a range from the locally-based Dark Star Brewing Company. Please note, all beers, except any which are not ready by Wednesday, will be sold on a first-come, first-served basis. In addition to the range of real ales, a selection of 'real' farmhouse ciders can also be sampled here.  
 Happy imbibing! *Alex Hall, Festival Co-ordinator.*
