Spuyten Duyvil

Williamsburg, Brooklyn
Beer Bar (Snacks Served)

CASK ALE [H]

359 Metropolitan Avenue (at Havemeyer Steet / North 4th Street).
Tel: 1 718 963 4140.

Spuyten Duyvil is a smart, cosy bar with six ever-changing taps and a cask-conditioned beer engine, all pouring domestic microbrews and unusual imports, and a truly amazing selection of bottled beers from around the world. Belgium alone has a large blackboard listing the range available from that country – and even divided into the two language regions. The range surpasses most beer cafes in Belgium itself. The available taps are deliberately kept to a limited number to ensure freshness and frequent changes. The interior features much wood; antiques and old stuff abound (many of which are for sale). There is a good-sized beer garden, torchlit after dark. Food is limited to cheese and meat boards. Opens at 5pm weekdays, 1pm weekends. Can be hard to find as the red painted front of the building is unmarked, apart from a tiny sign on the mailbox.
